## **FAJARBARU, CHINA FIRM TO BID FOR SOLAR DEALS**

PETALING JAYA: Fajarbaru Builder Group Bhd (FBG) has entered into a memorandum of understanding (MoU) with China Gezhouba Group Overseas Investment Co Ltd (CGG) to jointly participate in the bidding on request for proposal by the Energy Commission to develop, finance, design, supply, install, operate and maintain the large scale solar (LSS) photovoltaic plants for Peninsular Malaysia. A joint venture company will be established as the project company, where FBG will hold a 55% stake while CGG will hold the remaining 45%. CGG is principally involved in the provision of engineering and project management services.
